	<u>Action</u>
<p>1. <u>To receive update from previous meeting minutes</u> There was no update</p>	
<p>2. <u>Lets Walk Cymru</u> This Welsh Government initiative involves walks run by volunteers. Details are updated to the ‘Lets Walk’ Website. It was suggested that a walk could be arranged which would meet and return to the Three Cliffs coffee shop. It was noted that there are already three walking groups operating in the community including WI and the Men’s Society, although it was also noted that ‘Lets Walk Cymru’ does provide training and insurance.</p>	
<p>3. <u>Park Run</u> This initiative requires a group to pay a joining fee of £3,000 and would do the same run each week. It was felt that the run would encourage residents to become involved in Health and Wellbeing. Cllr Susan Rodaway was authorized by the committee to make further enquiries.</p>	SR
<p>4. <u>Climate Change Action plan</u> It was reported that grant funding was currently available to submit a plan to become sustainable. Cllr Susan Rodaway was authorized to research grant funding.</p>	SR
<p>5. <u>Cliffs/Beach clean</u> This matter was deferred until 26 March</p>	
<p>6 <u>Pennard Market update</u> Market fliers need to be distributed and an email to members should be sent asking them each to take 100 fliers for distribution. It was suggested that an OS Map of Pennard Ward should be ordered. It is intended to incorporate an ‘Antiques Road show’ in the market in the near future. Other ideas include cookery demonstrations and cake decorating *****</p>	Clerk Clerk SR
